

Intern Job Summary

We are seeking energetic, responsible interns to provide programmatic support for the Louisiana COVID-19 Vaccine Youth Ambassador Program. A total of nine (9) interns will be selected, with one representing each of Louisiana's Public Health Regions. A map representing the aforementioned public health regions is attached.

Intern Duties and Responsibilities

- Assist in research and outreach to prospective individual youth ambassadors and youth groups to join the Youth Ambassador Program.
- Assist in local training and event opportunities within your assigned region, as requested.
- Facilitate delivery of SWAG, materials, and other programmatic items, as necessary.
- Assist with tracking youth activities.

Intern Requirements and Qualifications

- Must be enrolled in a community college or technical college
- Proficient computer skills, including Microsoft Office Suite (Word, PowerPoint, and Excel)
- Must be 18 years of age
- Excellent written and verbal communication skills
- Self-directed and able to work without supervision

Interested individuals may send a cover letter and resume to info@layouthambassadors.org.
